

Making Community Matter one client at a time...

We provide multiple
programs and services
designed specifically
with our clients in mind.

We proudly support
Adults with disabilities
(18+) and Seniors (55+).

Our goal is to support
each of our clients to
maintain a safe , secure,
independent & healthy
quality of life.

How we help...

Community Support Services is here to help, should you have concerns about you or a loved ones health & wellness.

If you require support around illness, loneliness, recreation activities, signs of dementia, the need for housing supports, safety or security within your home, concerns about falls risk, access to healthy food, medical transportation assistance, death & dying or general help around the home.

We are here for you...

Community

Support Services is a Division of HHHS and

all programs are based on a firm philosophy that values friendly, caring and personalized service, in order to enhance self-esteem and promote independence.

How we make a difference...

"First I want to take a moment to thank all of you who contributed so much to making my mother's life so meaningful in allowing her to stay at home until circumstances dictated otherwise. I know she appreciated every hand that held her, every smile and each kind word." *Ernest Hill*

Call today if you or a loved one could benefit from supports that can assist with staying in your home longer and enjoying the best quality of life possible! 705-457-2941
