TRADITIONAL LAND ACKNOWLEDGEMENT

“We gather on ancestral lands, the traditional territory of the Mississauga Anishinaabe and the traditional unceded territory of the Algonquin Anishnaabeg people and in the territory covered by the Williams Treaties which have been inhabited for thousands of years – as territories for hunting, fishing, gathering and growing food. The intent and spirit of the treaties that form the legal basis of Canada bind us to share the land “for as long as the sun shines, the grass grows and the rivers flow.”
