

Winter Community Engagement Agenda | February 2025

Dear Community,

We are excited to invite you to our Winter Community Engagement Session – happening *virtually* on **February 4, 2025, from 6:30-8:30pm**. All are welcome!

During the session, we will hear from local leaders and experts on caring for those who are most vulnerable, Haliburton Highlands Health Services, and most importantly – YOU.

We look forward to connecting to share resources and information with you around how to get a power of attorney for health and finance, dive deeper into consent and capacity referrals, shine a light on our new Volunteer Services programming at HHS, provide additional details on our HHS Master Plan, and answer your questions around how you can better connect and collaborate with HHS.
